ROAD

All life long bag

A line designed to protect your instruments and win the challenge of time. Comfort and endurance, safety and elegance: from travel to travel, from year to year, from performance to performance, the Road line is an indestructible ally who watches over your passion.

Street

Daily design and safety

Sober and compact lines, strong materials and structures full of charm: a line inspired by the dynamism and the forms of metropolitan life, to protect your instruments in every move, to resist every bump and to ensure security to your music.

SQUARE

**Your music, your instrument, everywhere
with everyone.**

Design, technical materials and functional details are perfectly and uniquely assembled: a Square bag is the meeting and melting point of craftsmanship and state-of-the-art construction technology. To protect your music and announce your talent anywhere.

State-of-the-art Technique

Stefy Line's flagship line and diamond tip, the Route collection shines for perfect synthesis of sophisticated and gritty design, and constructive excellence: innovative outer fabrics and special paddings able to withstand any shock with shockproof systems that contributes to the original and unique look. A Route bag promises presence, endurance and aesthetic in every context.
